

Satellite Coordinates for the 2010 National Fallen Firefighters Memorial Weekend

This year, you can view both major Memorial Weekend events live via satellite. The Foundation will broadcast both the Candlelight Service and the National Memorial Service. We encourage you to contact your local cable provider and ask them to broadcast these Services on one of the public access channels.

Both the Candlelight and Memorial Services are free to air broadcasts and are available on C-Band and Digital KU-Band Satellite.

The receive specifications are as follows:
