## National Fallen Firefighters Memorial Service to Honor Four Fallen Mississippi Firefighters

EMMITSBURG, MD. – The 28<sup>th</sup> Annual National Fallen Firefighters Memorial Service will honor three Mississippi firefighters who died in the line of duty in 2008. They will be among the 98 men and 5 women from 36 states remembered at the official national service held at the National Fire Academy in Emmitsburg. One Mississippi firefighter and eighteen firefighters from other states who died in previous years will also be honored.

Firefighter Gary W. Kistler, Jr., age 65, of the Saucier Fire Department died of complications from a previous motor vehicle accident on February 5, 2006.

Fire Chief Clyde Walker, age 68, of the Collinsville Volunteer Fire Department died after motor vehicle accident while enroute to another motor vehicle accident on January 26, 2008.

Fire Chief Charlie Fraley, age 65, of the Macon Fire Department died after becoming ill while operating at a structure fire on April 12, 2008.

Captain Richard Montgomery, age 54, of the Hobo Volunteer Fire Department died of a heart attack while operating a working structure fire on December 31, 2008.

The National Fallen Firefighters Foundation (NFFF) and the Department of Homeland Security will sponsor the official national tribute on October 4, 2009. This ceremony marks the beginning of National Fire Prevention Week designated by President Obama to focus national attention on the destruction of property and loss of life caused by fire.

As first responders to all natural and manmade emergencies, fire service personnel are in constant danger. During 2008, 103 firefighters died in the line of duty, making firefighting one of the nation's most dangerous occupations.

More than 5,000 people, including Members of Congress, Administration officials and other dignitaries, members of the fire service, and families and friends of the fallen firefighters will attend the event. Families receive flags flown over the U. S. Capitol and the National Memorial. Honor guard units and fire service personnel from across the U.S. will participate in the National Tribute.

Many fire departments across the country will conduct simultaneous services, lower flags to half-staff, sound sirens at noon, and observe a moment of silent tribute.

### **About the National Fallen Firefighters Foundation (NFFF)**

The United States Congress created the NFFF to lead a nationwide effort to remember America's fallen firefighters. Since 1992, the nonprofit foundation has developed and expanded programs to honor fallen fire heroes and assist their families and coworkers. For more information on the Foundation and its programs contact us at 301-447-1365 or visit [www.FireHero.org](http://www.FireHero.org).
