## Financial Benefits Checklist

Consider each of the following benefits. Are families of your department members eligible for them? If so, do you know how to access the benefits? Some of these are based on previous service. Does your department have personnel records that reflect these?

Check the Foundation's Web site for a state-by-state listing of benefits and for general information on federal benefit programs.

|                                | Are these benefits available to your firefighters? |     |      |                     |  |
|--------------------------------|--|-----|------|---------------------|--|
|                                |  |     | Need |                     |  |
